

# U.S. Products Containing Soy Ingredients

Soy is among the top eight foods that account for 90% of allergic reactions to foods. For those with an allergy to soy, the Frito-Lay products included here contain soy and should not be consumed.

Please note: The information provided pertains only to products distributed in the U.S. Products sold in other countries under similar brands may be made using slightly different recipes and ingredients to accommodate local needs and preferences.

\*\*Allergen Information: The soybean oil used in some snacks and dips is highly refined and not considered an allergen by the FDA; therefore, products containing soybean oil are not included on this list.
