

CANADIAN Products Containing or Produced on Equipment that also Produces Peanuts and Tree Nuts

Nuts are among the top nine foods that account for 90% of allergic reactions to foods. For those people with an allergy to nuts and/or tree nuts, the Frito Lay Canada products included here do contain nuts and/or produced on equipment that also produces nuts and should be avoided.

Please note: The information provided pertains only to products made in Canada and the U.S. and distributed in Canada. Products sold in other countries under similar brands may be made using slightly different recipes and ingredients to accommodate local needs and preferences.
