

U.S. Vegan Products

PepsiCo defines vegan as “a food or beverage that does not contain any ingredients or processing aids sourced from, produced or processed by animals.” These products do not contain ingredients such as meat, poultry, fish, eggs, gelatin, milk, eggs, animal enzymes, honey and sugar refined with animal bone char. PepsiCo does not exclude ingredients that have been subject to animal testing from making vegan claims.

Please note: The information provided pertains only to products distributed in the U.S. Products sold in other countries under similar brands may be made using slightly different recipes and ingredients to accommodate local needs and preferences.
